Friday, October 12, 2007

Enumeration Begins for Provincial General Election

(Regina) Chief Electoral Officer Jean Ouellet announced that, “Starting today and over the course of the next week enumerators will be going door-to-door throughout the Province for the purposes of obtaining the necessary information to prepare the Voters’ List which will be used for the General Election. The enumerators, who will be wearing badges to identify themselves as such, will be seeking the names, addresses and occupations of all eligible voters.”

A voter may only be included on the Voters’ List for the constituency and poll in which he or she resided, on the date the election was called, namely, October 10, 2007. To be eligible to vote, and therefore entitled to be included on the Voters’ List, you must be eighteen years of age or older, a Canadian citizen on Election Day (or a British subject if you were eligible to vote in the Saskatchewan election of June 23, 1971), and a resident of Saskatchewan for at least the six months immediately preceding October 10, 2007.

About 2600 individuals will be involved in carrying out the enumeration, which must be completed by Friday, October 19, 2007. Elections Saskatchewan wishes to remind apartment operators and condominium boards that by law, enumerators must be permitted access to apartment buildings and condominiums.

The enumerators will also carry with them applications to vote as an absentee voter for those eligible voters who will be away from home or otherwise unable to get to the polls during the Advance Polls, November 1 through November 5, 2007 and Election Day, November 7, 2007.

In urban areas, in the event the enumerator does not find anyone at home, he or she will leave a “Notice of Enumeration” card advising as to when he or she will call back, or a phone number at which the enumerator may be contacted for voters to have their names added to the Voters’ List.

For further information, the public can contact Elections Saskatchewan at 1-877-958-8683 or www.elections.sk.ca
